Dear Paul and colleagues

Thank you so much for your support of Great Ormond Street Hospital Children's Charity and for your generous donation of [REDACTED]

It means a lot to know that we can count on people like you, whose generosity makes it possible for us to give desperately ill children the extra care and support they need. Great Ormond Street Hospital is a special place, but we need your help to keep it that way.

Thousands of children pass through our doors each year, many of them suffering from very complex and rare conditions. Each one of these young patients is unique, and we do everything we can to help them, and the families who love them.

Here's how you will help to make Great Ormond Street Hospital better:

- Your donation will help us to buy more specialist equipment, both medical and surgical, to give the best possible treatment to every child.
- Your support will help us provide accommodation for parents to stay with their children while they are in hospital
- Your contribution will help us with the on-going rebuilding and refurbishment of the hospital.
- Your gift will help us to continue our pioneering research to find cures and treatments for childhood diseases giving children everywhere a brighter future.
- To see more about how you are helping the hospital please visit our website at www.gosh.org/why-we-need-your-help/

Great Ormond Street Hospital provides inspirational and world class care to hundreds of children every day, but it's the support of people like you which makes it such a special place. Thank you.

Yours sincerely

Catherine Sheard
